Assessor Secretariae Status

Honourable President,

Your letter was truly noteworthy for its particular adherence to the Sovereign Pontiff, for which declaration the most Holy Father wishes to render fitting thanks.

At the same time, the Sovereign Pontiff exhorts you to carry on with your laudable goals toward preserving the venerable traditions of the Catholic Church; who, as a foretoken of these things and as an inducement and comfort as well, willingly imparts to you and to all the members of your association the Apostolic Benediction.

Besides these brief expressions, it pleases me to add my heartfelt greeting and to wish you due prosperity in the coming years.

Gabriel Caccia
Assessor of the Secretariat of State
